- Position buffet table for ease of traffic
- Make it easy for guests to serve themselves
- Plates at the beginning, tableware and napkins at the end

Meat

Fresh Cuts

In Trig's Meat Department, we like to think of ourselves as your personal butcher. We prepare a wide variety of fresh and smoked meats and fresh and frozen seafood (including live lobsters). Certified Angus Beef, "All Natural" fresh pork, and Gerber's Amish Country Chicken provide quality options you'll be proud to serve. We also make our own fresh sausage, bratwurst, and breakfast sausage, and offer signature items you won't find anywhere else.

We'll help you find your favorites by greeting you with a smile and providing the cuts you want, plus expert advice on what to serve, quantities needed, and preparation tips.

If you're looking for a special order, no job is too big or too small.

Produce

Fresh Selection!

Looking for an attractive table centerpiece or a tasty gift? We offer a wide variety of sizes and combinations of fruit baskets and in-season nut and candy trays. All baskets are prepared with the highest quality in-season fruits and candies available. Every basket is sure to please!

Garnishes and Food Tips

- Add thin lemon slices to water
- Soften butter and mix in fresh herbs or garlic and put in pastry bag to make pretty flowerets for your butter plates at each place setting
- Chop up fresh herbs and sprinkle them over the top and side of the plate to give it a professional look
- Fill unusual or seasonal serving dishes with candy and nuts

Bakery

Celebrate the occasion!

Did you know that Trig's Bakery bakes 40 different kinds of bread? Or that we bake more than two dozen different kinds of dinner buns and rolls? We don't even want to begin counting all the varieties of bagels and donuts, and cookies, cakes, pies, and other desserts we bake!

You could count them yourself, but then you might have more fun just picking out your favorites. At Trig's full-service bakery, we love to serve you our favorite recipes, fresh-baked every day.

Floral and Home

The finishing touch to your next party!

We're passionate about flowers... and we're not your average grocery store florists. We just happen to be located in a supermarket where it's extremely convenient for you to stop by our store. Our florists are dedicated designers with years of experience and the know-how to turn your visions into reality with fresh, beautiful flowers and arrangements, healthy green and blooming plants, balloons, cards, plush animals, unique home décor, and more.

If you're planning an event or party, make Trig's your one-stop shop. We can work closely with Trig's deli, bakery, and meat departments – as well as Cellar 70 – to help you create a memorable occasion.

Corporate Gift

Let Trig's Floral and Home help you with your corporate gift giving! Fresh flowers, wreaths, beautiful seasonal blooming plants, and gourmet baskets make great gifts. Let us be creative and make your gift a memorable one!

Cellar 70

You're invited!

With thousands of varieties of wine in stock, each Cellar 70 has an enthusiastic staff of wine aficionados to offer you the best advice in selecting the perfect wine to pair with dinner or to make your special event unique and memorable.

Cellar 70 got its name from our first location in Minocqua on Highway 70. Originally a small section within the store, Cellar 70 became an entire department dedicated to wines, craft beers, and spirits. The popularity of Cellar 70 has led to expanded selections at all Trig's stores.

The Cellar 70 experience is a relaxing, pleasant interlude in a beautiful environment of arched cedar ceilings and subtle lighting. Stop in during one of our wine tasting events (call for schedule), or just stroll around and shop to discover new wines.

Party Food Preparation Guide

Preparing food for large groups can be challenging if you're inexperienced. The toughest question is, "How much food is enough?"

General portion suggestions for many foods are provided here, but keep in mind they are just a place to start. You'll need to adjust these figures due to a number of considerations:

- More men in attendance than women will mean larger portions
- Children eat smaller portions than adults
- Rich food is more filling so you'll need less of it
- A longer event requires more food than a shorter event

- Parties held near mealtimes have hungrier guests
- With more options available, guests will generally have less of each item
- With more options available, guests will generally eat more in total
- If serving hors d'oeuvres before a meal, guests will usually have six bites
- If hors d'oeuvres are the meal, plan on 4-6 bites per guest per hour. The more guests and the longer they will be visiting, the more options you should have available
- If serving more than one dessert option, reduce the expected portion of each by less than half

How much do you need?

Guests	Cold Cuts	Cheese	Salad	Bread	Rolls	Desserts
4	1 lb.	½ lb.	1 lb.	1 loaf	4-8	¾ lb.
8	2 lbs.	1 lb.	2 lbs.	2 loaves	8-16	1½ lbs.
10	2½ lbs.	1¼ lbs.	2½ lbs.	2 loaves	10-20	2 lbs.
15	3¾ lbs.	2 lbs.	3¾ lbs.	3 loaves	15-30	3 lbs.
20	5 lbs.	2½ lbs.	5 lbs.	3 loaves	20-40	3¾ lbs.
